

What is The Nantucket Hotel Doing about the Coronavirus?

To our cherished guests, at this time, we are closely monitoring the Centers for Disease Control and Prevention (CDC) and World Health Organization's (WHO) statements regarding the novel Coronavirus (COVID-19) cases and following the guidelines from these agencies and the local health departments. The wellbeing of our guests and employees is of paramount importance and we are prepared to follow the CDC's recommendations as they evolve and alter hotel operations if necessary. As of today, we are fully operating, welcoming guests daily and looking forward to your stay.
